

**RECLOSABLE  
ZIP SEAL BAGS**

ZIP. SEAL. FRESH.

**Contents:**

Our FoodHandler® reclosable zip seal bags have a strong grip and better seal. This means superior protection against leakage. These bags have been enhanced with a wider, double zipper track on both sides of the bag that allow it to open and close more smoothly without the risk of tearing. Simply the easiest way to seal in freshness.

# SEAL IN FRESHNESS **EVERY TIME**

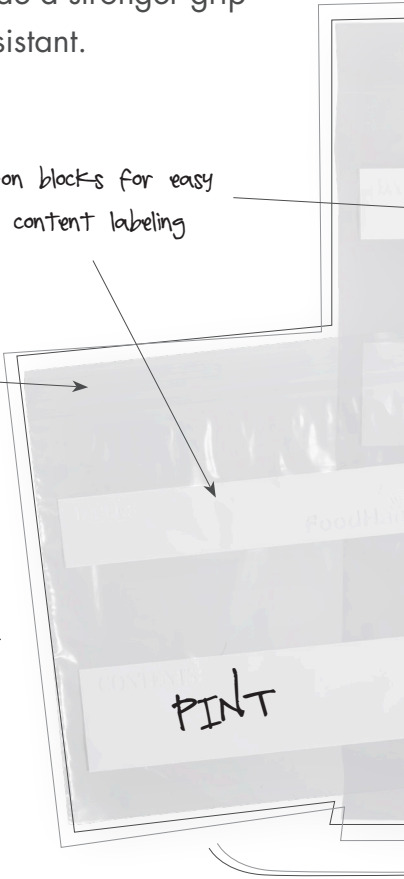

FoodHandler® Reclosable Zip Seal Bags feature a reliable and secure double track design to provide a stronger grip and better seal, making the bag leak resistant.

Lip design and multiple ridges make opening easy

Double write-on blocks for easy date and content labeling
