

CAST POLY GLOVES

JobSelect® Cast Poly Gloves from FoodHandler® are an economical and dependable option for preparing and serving foods. Cast Poly provides an excellent overall value with a light texture and added strength over standard Poly gloves.

JobSelect® Cast Poly Gloves are recommended for tasks that require a higher number of change-outs and low-to-medium levels of dexterity. They work well for such tasks as sandwich making, deli and bakery work, and pre-portioning of meats and cheeses. They are ideal for general foodservice tasks in restaurants, school cafeterias, supermarkets and convenience stores.

Cast Poly Strength

Cast Poly adds strength and performance over standard poly gloves.

Light Texture

Texture provides added grip and tactile sensitivity. Operators can more easily secure food ingredients for sandwiches, salads and other items.

Sizing

A loose fitting design provides comfort, speed and efficiency for frequent donning and change-outs of gloves.

Food Safety

FDA certified for Food Contact and an essential part of a food safety program.

Poly Benefits

Poly gloves are Recyclable, Powder Free, PVC Free and Latex Free.
