Food Safety Focus

Combined with our wall dispensers, oneSAFE® is the safest glove dispensing system in the industry.

Improved Case Footprint

With an efficient case design, oneSAFE® has a 25-30% space efficiency advantage over standard over glove cases. This footprint reduction allows for more storage space and better overall economy.

No Tradeoff in Performance

Customers can expect the excellent performance they are used to getting from FoodHandler® products.

Form Fitting and Comfortable

Form fitting and flexible for maximum fingertip sensitivity.
