

USE GLOVES PROPERLY

HOW TO WEAR AND USE GLOVES

STEP 1

KEEP HANDS CLEAN

Make sure your hands are as clean as possible.
Wash with soap and water for 15 seconds.

STEP 3

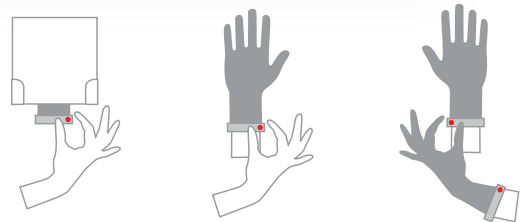

DISPOSE OF GLOVES PROPERLY

Dispose of gloves into the trash immediately after done using. Please do not litter. Wash and sanitize your hands after you have disposed of gloves.

STEP 2

PUT ON GLOVES BY THE CUFF

Apply gloves with clean hands,
touching only the cuffs of the gloves.

REMINDER

DON'T TOUCH YOUR FACE

Gloves can still pick up and transfer contaminants. Avoid any unnecessary touching of items to minimize contamination, especially your face.
